

HUI: CENTERED AROUND YOU!

TEAMWORK

At HUI, we are not only a team because we work together, we are a team because we respect, trust, and value each other.

Group dynamics are applied throughout the company with emphasis on treating all employees as adults.

At HUI there is not individual success but rather team success.

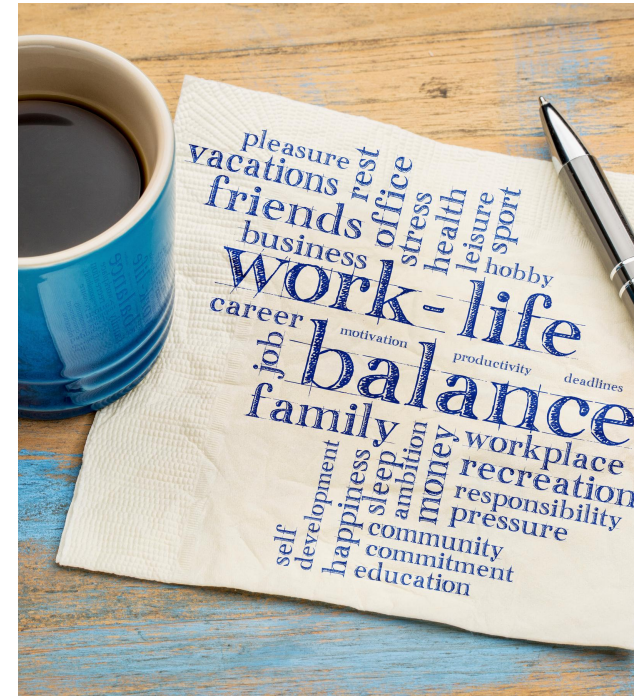

CAREER GROWTH

At HUI, employees are encouraged to go beyond their comfort level to achieve new successes and personal goals.

Employees are encouraged to take advantage of the tuition reimbursement program and grow within the company. 50% of office staff transitioned from the production floor.

Production employees are in control of their growth and compensation through the Pay Per Value System; the more you learn the more you earn!

WORK/LIFE BALANCE

Life happens; we get this. On the premise of adulthood, HUI puts you in charge of your work/life balance.

HUI will work with you to offer flexibility and time off so that you can attend your children's events, personal commitments and those "can't miss" events.

With three shift covering 7 days, we can provide a shift that works best for your life style.
